

I introduce myself. My name is Alessandra to Rome. This where you entered is not a simple site for cats, no: this space is a meeting place and entertainment for all those like me who share a passion for the Sacred of Burma, these beautiful cats that I have the pleasure to raise.

On this site you can see the pictures of Burmese inside of my herd, you can preview all know the "new arrivals" and interact with me by sending e-mail and the insertion of comments in the articles section of the Blog . This site also is also to allow us to exchange tips on how to best grow our friends to 4 feet ...

"Enjoy Birmans is a meeting place for all those who love the Sacred of Burma or who are simply fascinated ... Here we can know and compare our experiences.

Welcome to all!
